Spooky Fun and Good Books at Halloween Party

On October 25, 80 children and their families attended the annual Halloween Party at TCS. Parent Robyn Rogers led a crew of volunteers in transforming the gym into a haunted backdrop for playing games, making crafts and eating ghoulish fare. In addition to a goody bag and prizes, every child received a \$5 certificate to spend at the Scholastic Book Fair thanks to donations from generous local businesses. See the gallery at www.vnews.com for photos of many costumed students taken by parent Geoff Hansen.

Note Cards Feature TCS Student Artwork

Parent Janet Kennedy has designed note cards using artwork provided by TCS art classes. School Club originally intended to use these cards to provide an extra special touch while thanking the many generous donors and volunteers who support School Club's efforts.

However, the cards turned out so well, School Club has offered them for sale as a fundraiser. Some sets are still available at the TCS library.

Fair Association Supper a Success

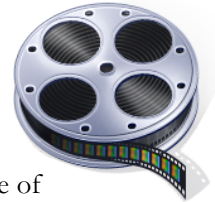

Parents Anissa Morrison and Sharon Welch coordinated the biggest School Club fundraiser of the year on December 6. They recruited volunteers, sought numerous donations and prepared a harvest-themed gourmet meal following the Tunbridge Fair Association's annual meeting. After deducting expenses, over \$2,000 were raised to support School Club's mission. Seventh grade art students and local Girl Scouts created festive centerpieces for buffet and dining tables. Middle school students served as wait staff for over 100 Association members and their guests. Many thanks to all parents, students, community members and businesses who helped make this event a success.

Holiday Gifts for Teachers and Staff

Many parent volunteers are working together to provide special holiday treats for all TCS teachers and staff over the last several days of school before December break.

Movie Site License

School Club owns a movie site license for TCS. Teachers, athletic teams, clubs, the after school program and community organizations can show movies from most major studios at the school. See www.movlic.com for a search engine of titles available for viewing. Groups wishing to host a movie night need to contact School Club for details and TCS to reserve the gym.

What is School Club?

School Club is an organization dedicated to providing enrichment activities and services to students, families, staff and teachers at TCS. Anyone can participate and there are no membership dues.

How can you participate?

School Club seeks many types of volunteers to help organize events, cook for community suppers, make phone calls, set up and clean up at events and raise funds for activities.

What are School Club funds used for?

School Club spends money raised during the year on the movie site license, an overnight Camp In at the Montshire Museum of Science for the 3rd grade class, food and other supplies for events such as the first day of school, open house, staff holiday gifts, parents' day, winter carnival, teacher appreciation week, the end-of-the-year picnic and more.

Upcoming Meetings

Parents, school personnel and community members meet at 6:30pm on the first Monday every month (or the following Monday due to a holiday or inclement weather) to plan events, hear new ideas, review funding requests and manage the organization. The next meetings are at TCS on January 5, February 2 and March 9. All are welcome!
